To Whom It May Concern:

My name is Mary Nightingale and I am the hospital manager at VCA Central Animal Hospital. We are a very busy 9 doctor, emergency hospital. It has been my honor and pleasure to know Dr. Martin Henderson over the past 5 years and I have the utmost trust in him and respect the work he does.

Dr. Henderson will be an asset to any practice. While I am sad to see him go, I know that he will continue to do great things if given the opportunity.

Please feel free to contact me with any questions.

Sincerely,

Mary Nightingale  
Hospital Manager
