

**Beverly Hills Small Animal Hospital
353 N. Foothill Rd.
Beverly Hills, CA 90210**

It has been my privilege to have known Marty Henderson for the past 5 years. Marty's services afford me to keep my clients at my hospital and not have to "turf" them off to a referral hospital. His ultrasonography skills are very accurate and quick. He is very easy to work with and has on numerous times gone out of his way to accommodate me and my patients. Marty's services have been invaluable to my practice.
